Council Meeting

- I. New Business – Interviews for Interim City Manager Position
 - a. 9:30 - 10:45 Interview of Lee Elliott
 - b. 10:55 – 12:10 Interview of Robert Noble
 - c. Council Discussion of Next Steps in the Recruitment Process

The Yachats City Council meetings are open to the public and interested citizens are invited to attend. These are open meetings under Oregon law, but a work session is not a community forum; audience participation is at the discretion of the Council. Meetings are audio-recorded. Public meeting minutes are available for review at City Hall. The meeting place is accessible to persons with disabilities. For accommodations, please call (541) 547-3565, or Oregon Relay 1-800-735-2900 (TDD) two days in advance. City of Yachats does not discriminate on the basis of race, color, religion, creed, gender, national origin, age, disability, marital or veteran status, sexual orientation, or any other legally protected status.

In accordance with ORS 192.630, City of Yachats will make a good faith effort to provide accommodations for any person desiring to attend a public meeting, if the request is made at least 48 hours in advance of the meeting time. The meeting room is physically accessible to persons with mobility devices; a sign language or foreign language interpreter may be available, with advance notice. Call City Hall at 541-547-3565 or Oregon Relay 1-800-735-2900 (TDD) two days in advance. Posted 03/01/2021

Leslie Vaaler, Mayor
City of Yachats
PO Box 345
Yachats, OR 97498

Re: Lee Elliott Interim City Manager Application

Mayor Vaaler:

Please accept this cover letter as my official application for the City of Yachats Interim City Manager position. Being familiar with the true Gem of the Oregon Coast, I became extremely excited to discover the city was advertising this position in a community I have visited multiple times and have always enjoyed. While working as an assistant city manager and interim city manager in Oregon, I developed a true love of the amazing Oregon coastal communities.

For the last seven years, I have consulted, and provided interim executive level management services for municipal governments as city manager or as a department head. Interim work has provided me with a wealth of experience in an amazing variety of situations to assist city government with CEO leadership in transition. My strengths as an executive leader, are being positive and visionary with pragmatic results throughout my career.

After researching all facets of the current situation in Yachats and reviewing the desired qualities of the Interim City Manager, I believe my experiences fit well with the organization and community. I have broad executive level experience as a city manager, assistant city manager, finance director, human resources director, public works director, planning director and economic development director. For smaller city governments, a diverse background CEO tends to assist the organizations and I believe is one quality which has greatly assisted me in helping communities like Chickasha.

Recently, I completed an interim city administrator position in a rapidly growing community 30-miles west of San Antonio. I was appointed the interim city administrator to assist the community in finishing up an economic development agreement for a \$200 million multi-use residential-commercial development, assist in completing a water line extension project for a \$7 million commercial development, to complete a wastewater collection line and lift station project, and to help complete a \$12 million wastewater treatment upgrade project.

While serving as city manager in Mount Vernon, TX, we were able to use our historical culture assets to invigorate tourism as a primary engine in our local economy. We were one of the first three communities to receive the first Lady's Tourism Award of Excellence. We were able to repair over 60% of our water and sewer lines through negotiating low interest loans and receiving grants. We were able to reduce our water loss from approximately 20% to approximately 8%. With creative approaches, we were able to reduce our tax rate 12% while

experiencing a declining taxable valuation without reducing services.

In Newberg, while serving as the assistant city manager (ACM), a position generated to manage public works (HR and Emergency Operations); I was brought in to rebuild personnel relations in the department. While taking on the ACM position, the public works department was unionizing. After being the ACM for approximately 11 months, we had stabilized employee moral within public works. As the interim city manager for 11 months, we were able to improve moral and efficiencies within the whole organization while experiencing a large general fund shortfall and fiscal stress. While working to redevelop our downtown, we partnered with our local university to create connectivity to the campus and assist in bringing energy downtown.

In what I believe shows leadership and creativity as a city manager, while serving as the interim city manager in Newberg, OR, to help generate some financial sustainability, and implement the council's core goals for the budget, I didn't propose to fund my position as ACM in which my ½ my salary impacted the General Fund which was suffering a shortfall. By not funding my salary as the ACM, we were able to keep all police officers, firemen and not have to reduce our library hours.

I look forward to meeting with you, the mayor and councilors about how I can assist Yachats with continuing in a positive direction during the interim government. If more information is needed, please do not hesitate in contacting me at XXX-XXX-XXXX.

Respectfully submitted,

Lee Elliott

Lee Elliott

Texarkana, TX 75503

Professional Experience

Interim Public Works Director City of Del Rio, Texas August 2020-February 2020

Growing international border city with Mexico,

- Generated action for \$65 million of capital improvements which were languishing and being penalized by IRS,

BS in History/Geography with Public Admin interest

Volunteer Experience

City of Maud Library Board

City of Conway Board of Zoning Adjustments

City of Gentry Main Street Commission

Mount Vernon Downtown Business Association

February 22, 2021

Dear Mayor Vaaler,

Please consider this letter as my application for the position of Interim City Manager for the City of Yachats. You will find my resume and references attached. I believe you will also find that a review of my history, knowledge and experience will assure you that I bring the necessary skills and abilities to this position. I suspect that my assistance may be quite valuable during the transition, while you and the other City Council members recruit and hire a more permanent City Manager.

I love Yachats and want nothing but good things for the village. My wife and I own a home in Eugene, and have lived there since 1973. We now have two young grandchildren that also reside there. After retiring from the City of Eugene, we purchased a cabin in Quiet Water in 2010. We sold the cabin and purchased a larger home in Quiet Water in late 2018 and have lived part-time (between 30 and 40 percent) in Yachats for more than ten years. During this time, my wife and I have become familiar with much of the geography and the village landmarks, from the Gerdemann Garden to Thor's Well. We have also had the privilege of enjoying some of the town's activities such as the 4th of July Fireworks and the La-De-Da Parade as well as the educational offerings of the Academy of Arts and Sciences and many various music events held at the Commons. I view my familiarity with Yachats as an asset for this job.

If I am chosen as a finalist for this assignment, we would need to have further discussion regarding my schedule and availability. I know that the internet offers a lot of flexibility, but I want to be honest and alert you that I am not interested in a typical 40 to 50 hour per week obligation. As I mentioned to you previously, I have some physical limitations and, as such, I am hesitant to accept this assignment since I do not wish to disappoint the City Council or fail to meet their expectations. As you and the other Council members consider your choice of applicants, I encourage you to select someone who is truly able to satisfy all of the defined elements of what you want. I am here if you need me, but my ego will remain healthy should you find someone more suitable.

Thank you for your consideration.

Sincerely,

Robert P. Noble

ROBERT P. NOBLE

Eugene, Oregon 97405

PUBLIC ADMINISTRATION

PROFESSIONAL EXPERIENCE
